company

GAS SPRINGS, BLOCK LIFTS & CUSTOM GAS SPRING MANUFACTURER

Turkas Gas Springs has more than 25 experiences in Gas Springs sector. Turkas is a leading manufacturer of Gas Springs, Block-lifts for several industrial sectors. From incoming process of materials through shipment to truck, Turkas maintains the highest quality control of the entire manufacturing processes.

Turkas is actively supplying many industry segments especially Automotive, Truck & Bus, Heavy Duty, Agricultural machines, and Industrial sectors. We are specialized in providing joint-development in accordance with the requirement of our customers. The experienced and dynamic staff understands the industries' quality and technology standards.

With its progressive solutions and focus on quality, Turkas is a preferred supplier to many leading multi-national companies. Turkas is rapidly expanding to serve ever bigger international markets particularly in Europe and is also exporting to North Africa, Middle East.

Turkas has knowledge, experience and management principles to establish necessary international standards and quality system certificates ISO 9001:2015.

Our Quality Policy

GAS SPRINGS, BLOCK LIFTS & CUSTOM GAS SPRING MANUFACTURER

Quality management is an essential element of all our work. TURKAS is committed to ensuring the highest possible quality for all work that we undertake.

TURKAS is committed to provide its service users and employees with the highest quality of service.

Where potential quality lapses arise TURKAS has appropriate procedures in place to deal with complaints in an efficient and timely manner.

TURKAS is committed to continuous improvement and implementing appropriate quality management systems and processes to enable us to deliver the highest practicable quality services. We will therefore:

Work with our customers and partners to develop our services to meet their needs

Conduct our business in a way that reflects our core values

Create an environment that promotes continuous improvement and knowledge sharing

Ensure compliance with legal and other applicable standards

Educate and train our people to support the delivery of high quality services
